

PALCO Federal Credit Union E-Statement Disclosure Opt-In/Opt-Out

PALCO Federal Credit Union has recently implemented a safer, more convenient and “greener” way to receive your statements. Effective April 2012, we switched to e-statements making your statement available on-line the first business day of the month.

Having your statement disclosed to you via PALCO@Home, reduces not only the amount of paper but postage and printing cost as well. These savings can then be passed on to you, our members.

Of course you can continue to receive a paper statement but there will be a \$1.00 fee assessed for each statement printed.

PALCO Federal Credit Union will notify you via email when your E-Statement is available for download. If you wish to have enroll in e-statements and you change your email address or move, it is imperative that you contact the credit union immediately or update your email address by using the email button under Maintenance button in PALCO@Home.

By clicking the Submit button, you agree to the terms and conditions that PALCO Federal Credit Union has set, in writing, regarding your E-Statement accounts.
